

Dear Musicians,

Local 105 will send out an electronic newsletter every Friday afternoon.

The E-newsletter will contain information that you would like to share with the rest of the membership.

Send your information to local105@afm.org before 5:00 on Thursdays and we will compile it and send it out on Fridays!

The information should be music related and can contain news about where and when you are performing, master classes and seminars being offered, instruments for sale, job openings, at liberty....You get the drift. We will also include information from the Local that may include union or arts community news.

We would like to thank the Local 105 members who suggested we give this a try!

I'm excited to let you all know that "Get Real" is now available through iTunes. Click this URL (if you have iTunes software) and check it out:
