Washington State Musicians,

We were contacted by the Seattle Musicians Local 76-493 asking for our support of bill 6835. The following link will allow you to read the bill. There is also a link to find your legislator so you can (hopefully) encourage them to support it!

Dear Musicians,

Attached you will find the AFL-CIO 2008 Health Care for America Survey.

Working men and women of every age, race and income know the importance of health care to our families. This survey is our chance to make our voices heard and ensure that leaders and candidates at every level understand what working families are experiencing.

Survey responses will be given to the presidential candidates, every U.S. senator and representative, every candidate for Congress and state and local officials in every state in our country.

The 2008 Health Care for America Survey is sponsored by the AFL-CIO, the largest organization of working people in America, and Working America, the 2-million-member community affiliate of the AFL-CIO. Those who complete the survey will receive the compiled, nationwide results.

The Office of the Professional Musicians of the Inland Northwest, Local 105 will be closed on Monday, February 18th to observe the President's Day holiday. (We check email regularly if you need assistance!)

To participate in the Local 105 E-newsletter, send your information to local105@afm.org before 5:00 on Thursdays and we will compile it and send it out on Fridays!

The information should be music related and can contain news about where and when you are performing, master classes and seminars being offered, instruments for sale, job openings, at liberty....You get the drift. We will also include information from the Local that may include union or arts community news.

We welcome your feedback regarding the content of these newsletters. Please send comments to: localpresident@earthlink.net Be clear as to whether you would like your comments to be shared in the next newsletter.
